

To Whom It May Concern:

Ms Cheryl Kelly cared for my daughter during the first three months of her life. During that time she cared for her like she was her own child. She was also very trustworthy and communicative. Her presence in my daughter's life eased my mind knowing that she was in good hands.

In this day and age, it is very hard to find a dependable and honest care giver, so I highly recommend Ms. Cheryl Kelly to you. Please feel free to contact me should you need further information.

Sincerely,
Harriet
