

**The Baby Nurse, Where Babies Are Our Business**

**To whom it may concern.**

Pat Morenize was our daughter Chloe's baby nurse for 3 months.

You could not ask for anyone more professional than Pat. She was always up bright and early, ready for the day in her crisp uniform and with a smile. She kept the nursery immaculately clean and all of Chloe's things in perfect order.

But more importantly, she took incredible care of Chloe. Pat was warm, caring and very patient with Chloe (Chloe was not the best sleeper). Pat had real affection for Chloe and that came through in the wonderful way she took care of her. Pat knew how to read Chloe's signals from a very early age, she could anticipate Chloe's needs and was very good at calming her. You could see the bond between them.

Pat was also a very useful resource of 'how to' baby knowledge. She patiently taught us all the basics: bathing, diapering, feeding, umbilical cord care etc.

Having Pat in our home during the early days of my daughter's life helped us ease into parenthood. It took a lot of the stress away and gave us some well needed rest. It also gave my husband and I time together, allowing us to go out to dinner and enjoy each other, as well as our new daughter.

We always felt completely confident leaving our new baby in the care of Pat.

My husband and I highly recommend Pat Morenzie as a professional, trustworthy and caring baby nurse. Please call me, Kate Wadia on 917 435 \*\*\*\* should you like to discuss this further.
