RE: Aulda Thorpe Hayes

To Whom It May Concern

This letter is to relate my experiences with Nurse Aulda Thorpe Hayes who stayed with us for our second baby from April 3 to April 16, 2011. We have one daughter who is 2.5 years old, as well as our newborn boy who was born on March 31.

I highly recommend Aulda. She was excellent attending to our baby boy. Our baby boy took an extreme liking to her from the very beginning. She was wonderful with feeding him, changing him, burping him, bathing him, cord and circumcision care, as well as organizing his closet and doing his laundry. In one word she was; EXCELLENT!! She helped me feel less nervous, even as a second-time parent. She really helped with the transition between my daughter and son and by the end, my daughter was very patient and calm with her baby brother thanks to Ms. Aulda. My daughter also became close with Ms. Aulda, and on occasion Ms. Aulda was able to watch my daughter as well as my son at the same time.

I can't say enough good things about our experience with Ms. Aulda. I will definitely use her again when I have another child. Without hesitation, I highly recommend Aulda Thorpe Hayes to care for your infant. If you have any questions, please feel free to email me at: dentistmel@xxxxxxxx.com

Thank you.
