

The Baby Nurse, Where Babies Are Our Business

TO WHOM IT MAY CONCERN

I am writing to enthusiastically recommend Kathleen to you as a baby nurse and child-minder. Kathleen was hired by my son and daughter-in-law when my granddaughter, was born. She worked for them, full-time for five years. Since I visited twice a week during that entire time, I can attest to the fact that Kathleen was an excellent baby nurse as well as a patient, attentive and caring child-minder as my granddaughter grew up. She was exceptionally reliable, considerate, friendly and not intrusive.

Kathleen is very bright, has a good sense of humor and is exceptionally competent when it comes to baby and child-care. I could not recommend her more highly.

Sincerely,
Mimi
