I am very happy to recommend Simone King as a baby nurse. She stayed with my husband and I for two weeks and took care of our 4 week old son.

Simone is very patient, sweet and kind. She is very easy to get along with. She is extremely smart and knowledgeable of all of a baby's needs. Simone helped with bottle feeding, changing and bath time. She kept detailed records of the feeding and changing schedule. She was extraordinarily helpful.

Please feel free to contact me 917-929-XXXX (number x out for privacy,) and we can talk further about Simone.

Best Regards,
